

Career Opportunities

Alpha Mechanical Contracting Ltd. (Alpha) is a leading Western Canadian mechanical contracting firm. Since 1974, we have developed our capabilities to meet the diverse needs of our customers. Clients, consultants and general contractors rely on us to deliver quality plumbing, heating, ventilation, air conditioning, specialty piping, fire protection and gas fitting systems. A family run business, we have a proven record and provide a personal guarantee for all our projects.

At Alpha, our employees are committed to delivering innovation and excellence for all of our customers. Partnering with our subtrades and suppliers, working with engineers & architects, our goal is to achieve successful construction projects for the entire project team. Our employees take pride in what they do and are rewarded with an exciting work environment that is dynamic and ever changing. Career opportunities exist for individuals who strive for excellence, open communication and technical expertise in an energetic team setting. Alpha provides an exemplary health and benefits package, Group RSP programs and flexible working hours. If you have what it takes to be a part of the Alpha team and this sounds exciting to you, please check out the opportunities listed below.
